Front-end: React, Redux, Next.js, Ethers, HTML, CSS, SCSS, Styled Components, JavaScript, Illustrator, Photoshop, Figma
Back-end: Node.js, Express, Knex, Solidity, Hardhat, PostgreSQL, Python, Vercel, Heroku, Git, GitHub

PROJECTS

Human Rights First Asylum, *Front-end Developer*   [Project](#)
- Implemented various bug fixes throughout the project, returning functionality to many forms and tables
- Collaborated extensively with back-end developers to resolve schema and variable alignment issues

Water My Plants, *Back-end Developer*   [Project](#)
- Built a database using PostgreSQL, knex, and node.js, providing users with CRUD functionality
- Constructed a RESTful API that allowed users to register and track their plants' watering schedules
- Implemented secure authentication & authorization using bcrypt and a variety of custom middleware

Anywhere Fitness, *Front-end Developer*   [Project](#)
- Created UI components in React with Redux state management for managing fitness classes
- Safeguarded database and user information by utilizing private routes and JWT's

EXPERIENCE

All American Label & Packaging, *Production Artist,* Dublin, CA   Dec 2019 - Jan 2021
- Prepared customer artwork and ensured they were print ready using Illustrator, Photoshop, and PACKZ
- Assembled proofs and applied changes to art wherever needed
- Built and ordered various tooling (cutting dies, hot stamps, embosses, high build screens)

Label Art of California, *Production Artist,* Oakland, CA   Aug 2018 - Dec 2019
- Promoted from customer service to production artist within one year
- Maintained production artist position after Label Art was acquired by All American Label & Packaging
- Received & processed orders, assuming the role of the sales team during their absence
- Preflighted and proofed out customer artwork

Haas School of Business, UC Berkeley, *Faculty Assistant*, Berkeley, CA   Aug 2015 - Jun 2017
- Provided organizational support during the development of a spring 2016 Collaborative Innovation course offered jointly by the schools of Business, Theater, and Art Practice
- Assisted with logistical needs related to the courses taught by Professor Sara Beckman

EDUCATION

Lambda School, *Full Stack Web Development*   Sep 2021
California Institute of the Arts, *Bachelor of Fine Arts in Guitar Performance*   May 2011
